Dear Sir,

Re: Compliance Audit Review of the Operations of West African Centre for Cell Biology of Infectious Pathogens (WACCBIP)

The above subject matter refers.

The Audit Report Implementation Committee (ARIC) at its meeting held on February 15, 2017, considered a compliance audit review of the operations of the West African Centre for Cell Biology of Infectious Pathogens (WACCBIP).

The report of the Internal Audit Directorate of the University for the period May 1, 2014 to December 31, 2015, and the external auditors' report for the period April 10, 2015 to December 31, 2015 were considered. The Committee was pleased with the management of the project because it was noted that the overall operations of the Centre were in line with provisions of the project agreement.

I would like to bring the above information to your attention.

Thank you.

Yours faithfully,

Mawuena Abortta
