Dear Sir,

Re: Management Letter - West African Centre for Cell Biology of Infectious Pathogens
(WACCBIP)

I refer to the above subject matter.

The Audit Committee at its meeting held on May 10, 2018 considered and approved the following documents from your Centre:

- External Auditors' Management letter and Financial Statement for the year ended 31 December 2016 for the Africa Centres for Excellence Project
- External Auditors' Management letter and Financial Statement for the year ended 31 December 2016 for the Deltas Project

The Committee, however, asked that subsequent Financial Statements should include the Cumulative Receipts and Payments, Statement of Budget and Actuals, and the Statement of Financial Position.

I would like to bring the above information to your attention.

Thank you.

Yours faithfully,

Mawuena Abortta
